everything starts with produce sourcing which we take seriously. we work together with local organic farmers and small producers while using what seasons give us. when something good grows abroad- we bring it to kopli

as we think eating family style dinners are the best way and also our favourite way to eat- whole menu is also designed to share. our menu is quite eclectic and might change each day but it's basically just all the food we love to eat!

we open for evening service
a few hours after our bakery calls it a day.
from wednesday to friday at 17:30.
on saturday at 16:30.
karjase sai is baking pastries and bread from monday
to sunday from 9 to 15, so this is your invitation
for tomorrow's breakfast and coffee
