nii nagu meie hapusai valmib ausast mahejahust, kanad kasvavad kohalikus äntu mõisas ning ka kõik muud toorained proovime leida kõige paremad, mis olemas on - ei erine kuidagi ka austus puhta veini vastu. meile meeldib, kui teame kellega teeme koostööd ning kuidas kõike valmistatakse. usume kvaliteetsesse mahetootmisesse ja väiketootjatesse ning suhtleme oma veinitootjatega otse. kuna põnevaid veinimaju ja veine on palju, siis oleme kuskilt otsa lahti teinud ning toome praeguseks mõningaid veine ka ise oma maja tarbeks koplisse. veinikaardist leiad need veinid tähistatult kollase b'ga.

just like our sourdough bread is made of honest organic flour, chickens are raised in a local organic farm and all other produce we try and find the very best that we can locate - our wine list reflects the same ethos.

we like when we know who we collaborate with and how the wine is made. we believe in organic farming and small producers and converse directly with our partnered winemakers. over time we have started to import directly from the producers we have met and you can locate those wines by the yellow b next to the names.
