meile meeldib, kui teame kellega teeme koostööd ning kuidas kõike valmistatakse. usume kvaliteetsesse mahetootmisesse ja väiketootjatesse ning suhtleme oma veiniproduktidega otse. kuna põnevaid veinimaju ja veine on palju, siis oleme kuskilt otsa lahti teinud ning toome praeguseks mõningaid veine ka ise oma maja tarbeks koplisse. veinikaardist leiad need veinid tähistatult kollase b'ga.

we like when we know who we collaborate with and how the wine is made. we believe in organic farming and small producers and converse directly with our partnered winemakers. over time we have started to import directly from the producers we have met and you can locate those wines by the yellow b next to the names.
